OUR MISSION

To be the supplier of choice for our customers, who share our passion for high quality handcrafted products. By listening to, and collaborating with our customers to understand their needs, then utilising our skills, experience, innovation and flexibility to fulfil those needs, creating mutually beneficial business.

OUR HISTORY

Skycrest Quality Foods was established in 1987, and grew from catering for corporate clients, to become a diversified company involved in the development and manufacturing of high quality, bespoke baked products, enjoyed by domestic and international customers alike.

In 2020 we acquired *Annie Makes Cakes*, a similarly quality focused company, that allowed us to significantly expand our range of savoury and sweet offerings.

With a new, larger kitchen in 2024, the expanded capabilities and capacity allow Skycrest to continue its pursuit of new products, new markets and new partners.

OUR ADVANTAGE

QUALITY - Utilising the finest ingredients, our skilled chefs focus on producing handcrafted, healthy products to meet or exceed our customers' expectations. Our kitchen is HACCP and Halal certified and undergoes regular internal and external quality audits.

RANGE - While our range of savoury and sweet products is already broad, **Skycrest welcomes the opportunity to collaborate with our customers** on new products and flavours.

FLEXIBILITY - It's at the core of our value offering. We realise that all of our customers' needs are different and we strive to meet those needs wherever possible. For example:

- **Production** - Your recipe or ours? Cooked or uncooked? No problem! We can toll manufacture from your ingredients and fillings. We can also supply a range of delicious fillings for you to use in your production. Reach out and discuss your needs with us.
- **Lead times** - We aim to keep inventory of regular items. However, if you need something special in a hurry, call us to discuss. Our lead times can be as short as 3 - 5 days.
- **Order quantity** - We support a broad range of customers in all shapes and sizes. Skycrest proudly remains small enough to cater for the needs of our emerging customers, yet large enough to supply the needs of our national and international customers.

SERVICE - Whether it's order processing and management, delivery or after-sales, you can expect the highest level of personalised service from our experienced team.

PEACE OF MIND - Skycrest is a trusted supplier to a range of critical customers including airlines, cruise lines, hotels and fine dining restaurants. Trust us... you're in good hands!
